Membership Fee _____ (_____)

Membership Fee received (Treasurer's Signature) _____ (_____)

Scented Products Can cause serious problems for some members, so please be sensitive to this and avoid wearing perfume or other scented products to the meeting (this includes hair spray, hand & body lotions, perfumed soaps, etc.). The many allergic members really appreciate not having the side effects from these scented products. Unscented products are appreciated.

If the weather is wet Please remember to bring along indoor shoes or slippers—no wet shoes/boots in the meeting room so that we don't have as much mopping up to do after the meeting.

Ottawa Bead Society Library Policy

Books and magazines can be reserved through Librarika or borrowed at the monthly meeting.

All borrowed books and magazines must be returned at the next meeting or alternative arrangements must be made by the borrower.

If there is no reservation by another member for the book or magazine being returned, the member returning the book/magazine can borrow it again for another month.

There will be an annual inventory performed each summer, therefore all books and magazines must be returned at the June meetings.

In addition to the website, there will be a printed inventory of the books and magazines that will be updated once a year after summer inventory.

If the book or magazine is not returned in 3 months from the borrowing date, a penalty of denied access to the library will be imposed.

This policy will be posted with the library, the website, and periodically in the newsletter.

By your signature below, you agree to adhere to the above policy:
